PROFILE

Björn Bjuggren is a highly regarded Counsel in Banking & Finance, recognised for his precision, commercial acumen and ability to navigate complex financing structures. Advising lenders, borrowers and investors across domestic and cross-border transactions, Björn specialises in leveraged and real estate financing, high yield bonds and other capital markets debt instruments.

His expertise spans the full financing lifecycle, including structuring and negotiating sophisticated loan agreements, security packages and bond documentation, as well as advising on regulatory frameworks and market practice in the Nordic and international debt markets. Björn is also experienced in distressed situations, refinancing processes and liability management exercises, enabling him to support clients through both growth and restructuring phases.

With a pragmatic and solution-oriented approach, and extensive experience of acting for both sponsors and financing parties, Björn combines legal excellence with a strong commercial perspective. His ability to deliver clear, actionable advice in time-critical contexts makes him a trusted advisor for complex and high-stakes transactions.
